

# 2010 Creative STORAGE<sup>SM</sup> CONFERENCE

AN ENTERTAINMENT STORAGE ALLIANCE<sup>TM</sup> EVENT

**Tony Lopez, Director of Information Technology, Legend3d**

## **BIOGRAPHY**

Anthony Lopez is the Director of Information Technology for Legend3d, one of the largest 2D to 3D conversion studios. Prior to joining Legend3d, Anthony was Director of Information Technology for Ovation Studios. He also worked for and consulted with many other studios like Core Feature Animation, Focus 360, Image Metrics, Digiscope and Gajdecki VFX where he got his start in the entertainment industry. Some of the projects Anthony worked on are Emmy Award winning "Back at the Barnyard", "Barnyard the Movie", Disney's "The Wild" and "The Santa Clause 2".
