Sam Bogoch, CEO, axle Video, LLC

BIOGRAPHY

Sam Bogoch is CEO of axle Video, a company he co-founded in 2012. axle's award-winning media management software first shipped in early 2013, and has undergone continuous improvements in features, ease of use and scale in the last four years. The company has over 400 installations at content creation sites worldwide. Prior to his role at axle, Sam was Director of Product Management for Avid's Interplay and Media Central products for 5 years, and previous to that he ran a systems integration company, Torque Systems, focused on the needs of the imaging and prepress market. Sam holds degrees from Harvard (Physics) and Columbia (Medicine) and lives in New York with his wife and daughter.
