

2018 Creative STORAGESM CONFERENCE

June 7th 2018 at the DoubleTree Hotel, Culver City, California

AN ENTERTAINMENT STORAGE ALLIANCE™ EVENT

Yoram Tal, President Colorist/Online Editor, Tal.BZ. Inc

TITLE: How to manage media on local storage like a pro.

ABSTRACT

When working on multiple projects at the same time utilizing local storage, media management can become a giant mess. A few simple tricks can help keep things organized and humming along smoothly. Not every company/ freelance editor/ Show can afford expensive shared storage system like Avid Nexis, I will show how media can be kept separate and manageable with only a few easy steps. The true power of OSX's sparse bundle.
